ELK

**ELK with 270° Awning, Front Cargo Box, Roof Rack, Heat and Air**

**The ELK (5x10) is our largest model available. With an Entry in the back, 2 Windows, and a North to South bed that converts into a Dinnette, this is an excellent model for campers that enjoy being outdoors but also enjoy a place to relax when the weather takes a turn.**

**The ELK provides an optional 12V 83L Refrigerator/Freezer that allows you the space to stay camping longer. There is ample storage allowing one to store all the cooking gear and food they would need on any adventure.**

**ELK with Optional 10Gal Water tank with Faucet, Entertainment System with TV, Reading Lamps, and Heat and Air**

**Interior with Refrigerator, Hanging Storage, Heat and Air, and Reading Lamps**

**ELK with A/T tires, Heat and Air, 10 Gal Water Tank, HDTV Antenna**
